General Secretary to the Government of Mysore,

Sir,

Dessay 194-44-1.

Grant-in-Aid to Seva Sadana, at Gubbi.

I have the honour to state that the Veda Patasala attached to Chidambarashrama, at Gubbi, is an institution run on the lines of old gurukulas, with twenty-one students, who are given free boarding and lodging. Residential quarters are also provided for the Teaching Staff and the Ashram is reported to be spending nearly Rs 2,500, every year for the maintenance of the Patasala, and this amount is raised from subscriptions. The local officers report that it has been a very useful Hindu Religious Institution for Vedic culture, but, unfortunately, it has no solid fund built up for its maintenance, and it is deserving of encouragement. The Deputy Commissioner, Tumkur District, supports the recommendation of the local officers, and requests that a grant of Rs 25 p.m., may be sanctioned to it.

The Inspector of Sanskrit Schools, who was consulted in the matte is of opinion that this Veda Patasala is working on the lines of the ancient gurukulas, and the pupils are given instructions on the old system, their routine of daily life being the performance of Sandhya Vandanam, Agnikarya, Surya-namaskar, and Prayer, besides learning learning lessons in Veda and Sanskrit, and that the progress of the students is quite satisfactory in all the subjects taught. As regard the curricula of studies, he states that it is quite different from th one which is approved and followed in other Veda Patasalas, recognese in the State. The course of study is of a special kind and the stand ard aimed at, is higher than that in the Veda Patasalas. He recommen that a monthly grant of Rs 25 may be sanctioned to this patasala, on condition that the management strictly adheres to the departmental curricula of studies during the first 3 years. It is reported that institution is agreeable to adopt the approved curricula of studies. I also visited the institution on the 9th March 1945. It is doing very well.

3) I request that sanction of Government may kindly be obtained for a monthly grant-in-aid of Rs 25 to the Veda Patasala at Chidambarasrama at Gubbi, from 1st March 1945, the charge being met from the closing balance of the General Muzrai Fund Budget of the current year, till the 30th June 1945, and necessary provision being made in the budget of the future years.

Copies of the marginally noted communications and the entire connected records are herewith sent, for favour of reference.

Letter No.M.C.1121/44-45 dated 7th Nov.44 from the Deputy Commissioner, Tumkur District, to the Muzrai Commissioner in Mysore.

Subject:- Grant-in-aid to "Sevasadana, Gubbi.

I have the honor to forward herewith for favourable consideration the representation dated 30-10-44 received from the President of the above institution requesting that a suitable Government cash grant may be granted to the institution as it is rendering useful service by spreading vedic culture among its disciples. I recently visited the place and found that the Asram is doing very useful work and deserves encouragement at the hands of Government. I therefore request that a grant of Rs 25 P.M. may kindly be sanctioned to this institution from the general Muzrai Funds.

Letter No.M.C.1121/44-45 dated 11th January 1945 from the Deputy Commissioner Tumkur District, to the Muzrai Commissioner in Mysore.

Subject:- Grant-in-aid to the Seva-sadan, Gubbi.

With reference to your letter No.N1.520/44-45 dated 28-11-1944 on the above subject, I have the honor to enclose for perusal a report of the Amildar Gubbi in the matter of the curriculam of studies followed in this institution. It is reported that the curricula is different from the one approved for Veda Patasalas in the State but Sri Chidambar claims that it is of a higher standard. Sri Chidambar has since written to me stating that he is prepared to follow the approved curricula of studies.

It is reported that two pandits are working in the institution, one of whom is a Vidwan in Sahitya for teaching Sahitya and Veda and the other an S.S.L.C. hand for teaching English. The number of students already in the classes are reported to be 9 and 7 respectively in the I and II Year Classes and it is understood that the students are being given tuition free with boarding and lodging facilities.

Letter No.L.Dis.61-42/44-45 dated 2nd March 1945 from the Inspector of Sanskrit Schools in Mysore, to the Muzrai Commissioner in Mysore.

With reference to your letter No.N.510/44-45 dated 18th January 1945,

forwarding the file of correspondence relating to the sanction of a to Veda Vidya Mandira, Gubbi and calling for my opinion, I have the to state as follows.

The place where the Asrama, in which the Patasala is situated is about half a mile from the Gubbi Railway Station and is quite suited for a Gurukula if the old type.

The Veeda Patasala is working here on the lines of the ancient Gurukulas, the teachers and the pupils living under a common roof. Here the pupils are given instructions on the old lines, their routine of daily life being attending the Sandhya, Agnikarya, Suryanamaskara and prayer besides attending to lessons in Vedax and Sanskrit. Arrangements are also made for giving them some training in Agriculture.

One teacher for Rigveda, one for Yajurveda and Sahitya and one for English are appointed. The progress of the students' for the short period of one year and a half is quite satisfactory in all the subjects taught.

On the day of my visit, 14-2-1945, the strength and attendance was as follows.

Veda Patasala	Primary I Year	8/11
"	" II "	6/7
Advanced class in Veda		3/3
	Total.	17/21.

Of the above, 6 are for veda only and the others are attending the sanskrit patasala, which is also conducted here.

Twenty one students are given free boarding and lodging in this Asrama.

As regards the curricula of studies followed by this institution I have to say that it is quite different from the one which is approved and followed by the Veda Patasalas in the State. It has to be said that in some respects the standard aimed at in this institution is higher than that in the veda patasalas. The course of study here may be said to of a special kind, as the Founder desires to give a special type of education here with a view to enable the students to have an independent living while retaining the old cultural standard both in the oriental and accidental learning, by a special course covering a period of seven years.

Under the circumstances, I am of opinion that a monthly grant of Rs 25 may be sanctioned to the Veda Patasala on the condition that the Management should strictly adhere to the departmental curricula of studies during the first three years.

The receipt of this communication and the file may kindly be acknowledged
